

The City of Dunn, is requesting proposals for loading and hauling storm related debris as a result of Hurricane Florence:

Scope of Services:

Contractor agrees to provide all equipment necessary to load and transport storm debris related to Hurricane Florence from specified location(s) to the Harnett County Landfill. Contractor agrees to provide a landfill ticket marked “storm debris” for each load of debris hauled. Contractor agrees to allow the City to monitor all loading operations to ensure trucks are loaded to capacity before transport.

Security of Debris During Hauling:

Contractor shall be responsible for the security of debris on/in each vehicle or piece of equipment utilized to load/haul debris. Prior to leaving the loading site(s), the Contractor shall ensure that each load is secure and trimmed so that no debris extends horizontally beyond the bed of the equipment in any direction. All loose debris shall be reasonably compacted and secured during transport. As required, the Contractor will survey the primary routes used by the Contractor and recover fallen or blown debris from the roadway(s).

Proposals:

Contractor’s bid will be based on cost per cubic yard to load/haul.

Indemnification and Insurance:

The Contractor agrees to indemnify, hold harmless and defend the City from and against any and all liabilities, suits, actions, legal proceedings, claims, demands, damages, costs and expenses (including attorney’s fees) rising out of any act or omission of the Contractor, its agents, subcontractors or employees in the performance of this Contract. Contractor shall have a minimum of \$1,000,000.00 in general liability insurance and shall name the City as an additional named insured and provide the City with a certificate of insurance in the event the bid is accepted by the City.

Damages to Streets or State Maintained Roads: The Contractor shall be responsible for damage to any City street or state maintained right of way caused by the removal operations. For debris removal on any state maintained right of way, the Contractor shall comply with all NC Department of Transportation rules and regulations, including, but not limited to, safety, insurance, and traffic control in accordance with the Manual on Uniform Traffic Control Devices and shall hold the City harmless from the same.

The City reserves the right to reject any and all bids and to select the bid deemed most responsible.

Please contact Dean Gaster 910-890-3803 if you have any questions.

Proposals are due Friday October 19 at 2:00pm

Proposals can be submitted via email or regular mail. Please submit proposal to:
