

Dear Coaches' & Parents,

Picture Date will be May 11th and May 16th. We ask that you read over these notes so that we stay on schedule.

Procedures for Pictures:

Each team is assigned to a photographer & a time slot

It's helpful and important if parents will have forms completed (if they aren't sure which package leave that blank, but fill in all other information)

We are running on a tight schedule with the photographer and game times.

Get your team together and look for your photographer's number.

The photographer will begin with individual pictures regardless of purchasing that day an individual photo will be taken.

Your players will need to line up in height shortest to tallest.

The team picture will be taken after each individual picture has been taken of your team.

After the team picture you are free to go (game or leave)

Payment Method

All types of payment. The webpage is www.bishopphoto.com. Online code for Bishop Photo is **DunnSpring17**. If a parent orders online you must print your receipt and bring it with them on picture day.

This information is on our website as well.

Thank you,

Dunn Parks & Recreation
