As a parent, I am a role model. I will remember that recreational athletics are an extension of the coach's teachings, offering learning experiences for the players. I will show respect for the opposing players, coaches, spectators, and support groups. I will participate in cheers that support and uplift the teams involved. Using inappropriate language and taunting are contrary to the spirit of fair play and good sportsmanship and will not be tolerated during playing of the games. I accept my responsibility to model good sportsmanship that comes with being a parent of a recreational athlete.

I also agree to stay on the bleacher side of the field unless there is an emergency with my child. I understand that only coaches and players are allowed on the team bench side.

COACH INFORMATION

The success of Dunn Parks & Recreation's youth athletics is due in large part to the partnership we share with our coaches. A coach's dedication and willingness to share their time, talent, and love of the game with our participants is greatly appreciated. Coaches not only help develop talent and teach skills to our participants, they also teach sportsmanship and the rules of play in an organized sport.
