

**CITY OF DUNN BLACK RIVER WASTEWATER TREATMENT FACILITY
2011 ANNUAL PERFORMANCE REPORT**

I. GENERAL INFORMATION:

Facility Name: Black River Wastewater Treatment Facility
Contact Person: Donrie Dukes
Responsible Entity: City of Dunn
Applicable Permit #: NC0043176
Telephone Number: 910-892-2935

DESCRIPTION OF TREATMENT PROCESS:

The City of Dunn Black River Wastewater Treatment Facility uses mechanical pretreatment processes to remove inorganic materials such as rags and sand. An extended aeration biological process is utilized for secondary treatment. This is followed by clarification, disinfection, and de-chlorination before the treated water is discharged into the Cape Fear River. Excess biosolids are thickened and stabilized before land application to permitted farm sites.

II. PERFORMANCE:

The City of Dunn Black River Wastewater Treatment Facility had no reportable compliance violations in 2011.

III. NOTIFICATION:

This report is a matter of public record and will be filed in the City of Dunn, North Carolina Administrative Office. Notification to users or customers of the system will be made via the City's local government cable channel of the availability of this report for viewing on the City website or at City Hall.

IV. CERTIFICATION:

I certify under penalty of law that this report is complete and accurate to the best of my knowledge. I further certify that this report has been made available to the users or customers of the named system and that the users have been notified of its availability.
